Welcome to our very first newsletter from Bedford and County Athletics Club. We hope that this will be useful and informative to all members. Over the forthcoming editions we plan to share, and celebrate with you, the achievements of our young and maybe not so young athletes. We hope that future issues will include more reports from our coaches or athletes, of the achievements from the track season.

We are hoping to produce this newsletter quarterly, which can be viewed on our revamped website. Limited hard copies will be available at the front desk.

We are obviously always looking for new ideas, and if anyone has any news or photographs they would like to include in our next edition please send an email to duncan007saunders@sky.com.

We hope you enjoyed sharing our news and look forward to our next newsletter at the end of September.
